Jan. 5 to Jan. 14, 2022 https://forms.gle/biiBX9ecE7tKi82n6 Failure of application before deadline will be regarded as voluntarily giving up their admission.
Academic Affairs	● After successfully registering online, students will be informed of course selection details later on Jan. 19. ● For physically check in at Taiwan Tech, please refer to the important notice for new students in the application system. ● Taiwan Tech offers online courses before students enter campus. Please note that the remote courses will not be offered for a whole semester. By May, all of the remote courses will be discontinued. ● The final airport pick up is April 29. If students cannot make it to arrive in Taiwan before April 29, please do not register. Please apply for the admission deferral. ● After successfully registering online, if you can't make it to arrive Taiwan before April 29, please apply for a leave of absence.	● Please upload the **Request for Deferral of Admission Form** (app. 2) here. https://forms.gle/biiBX9ecE7tKi82n6 ● The supporting documents can be waived. ● Your LoA for 2022 fall will be sent in June, 2022.
NTUST Scholarship status	NTUST Scholarship monthly stipend will be deposited based on your arrival month. A master student's scholarship will be terminated by January 2024; PhD student's by January 2025. For dual master degree student, scholarship will be terminated by January 2023	NTUST Scholarship recipients can keep his / her scholarship status. The monthly stipend will be suspended. Stipend will resume when you arrive in Taiwan and finish the enrollment process in person for the new semester.

How to process online registration:

1. Look for your name and check the amount you need to pay from the **payment amount file**. (The payment amount of online registration does not include your insurance and dormitory fee. You will need to pay them while you physically check in with Taiwan Tech.)

2. Fill out the **payment authorization form(app.1),** set your birth date(YYYYMMDD) as passwords for the PDF and upload it here.
